

Statement of Faith

The staff of Youth-Reach holds firm to these core beliefs, which govern everything we do:

- We believe the Holy Bible, in its original form, to be the infallible Word of the living God. The Bible, in the Protestant canon, is a complete and accurate account of the life of our Lord and Savior Jesus Christ.
- We believe salvation, eternal life in heaven and an abundant life on earth are possible only through a personal relationship with the Lord Jesus Christ. This relationship cannot be purchased or earned, but must be accepted through God's grace following repentance from a life of sin.
- We believe in the Biblical account of our Lord Jesus' virgin birth to be accurate and without question.
- We believe that upon salvation, a person receives the complete indwelling of the Holy Ghost, being a third of the Trinity, which displays God's attributes in a believer.
- We believe in the triune makeup of God. This is displayed through the existence of God Almighty in the form of the Son (Jesus), the Holy Ghost and God the Father.
- We believe in the existence of Spiritual gifts, which are given to believers in accordance to their needs and calling.
- We believe in the ordinance of Baptism, in which a portrait of the life, death and resurrection of Jesus is projected. Baptism is an act of obedience, but does not bring about salvation, which must preclude this ordinance.
- We believe in the eventual return of Jesus at the End of the Age to gather His elect.
- We believe in the strict adherence to the Great Commission given by our Lord Jesus before His Ascension. We believe sharing our faith and leading others to our Savior to be of supreme importance. Any less is disobedience.
- We believe a Christian should live their life, both publicly and privately, to mirror the life, love and teachings of Christ.
